2024 YEAR IN REVIEW

The Fightin' Foran's Foundation was created in 2023 to honor Gerry Foran and to **fight for a cure for pancreatic cancer**.

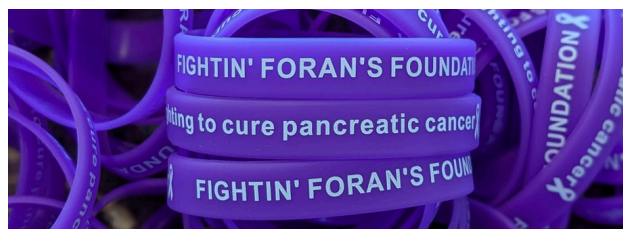

Gerry was very fortunate to have received excellent care at Lehigh Valley Topper Cancer Institute and established many relationships with his extraordinary care team during his 20-month battle.

Our foundation is continuing his legacy through the formation of a named fund with LVHN Topper Cancer Institute that will focus on Pancreatic Cancer Clinical Trials, Early Detection, Advocacy & Patient Assistance.

For the second year in a row, we granted **\$20,000 to Lehigh Valley Hospital Network (LVHN) Topper Cancer Institute to help fund clinical trials**. This funding increases the availability of trials and insures that cancer patients do not have to travel to Memorial Sloan Kettering in New York City for treatments. In addition, we provided **\$6,500 direct financial assistance to 10 local pancreatic cancer patients and their families during the holiday season**.

We are also pleased to tell you that we helped sponsor an educational program, **Advances in Pancreatic Cancer**, hosted by LVHN. At the event, our President, Laura Foran, spoke about the foundation's mission and her journey as a spouse/caregiver.

This was all made possible by your generosity and we continue to be grateful for all of your support!

We hosted many events and fundraisers around the Lehigh Valley

Laura Foran went the extra mile this year by training and participating in **Coast 2 Coast 4 Cancer Bike Ride** in support of the V Foundation for Cancer Research.

Anthony's Coal Fired Pizza

The 2nd Annual Gather, Gobble, Give Fundraiser was a huge success **raising over \$30,000!**

We listened to live music, raffled a variety of baskets, had a wine and whiskey pull, a 50/50, as well as many incredible silent auction items. Our sincere thank you for all those who joined us at Foundation Tavern and to our generous sponsors!
